

Active Schools Partnerships

Well done to our Active Schools Committee who have worked so hard to ensure our school becomes as Active as possible. (Missing from the photograph Nisha)

Throughout the Active Schools process our pupils carried out so many tasks to help make our school better. These included;

- ✓ Completing a 'What Club are you in Survey'. You can find the results of this survey below.
- ✓ Monitoring our PE storage press and PE equipment.
- ✓ Organising playground equipment.
- ✓ Leading 'Active' school assemblies. During our assemblies we always like to acknowledge sporting achievements of our pupils both inside school and in their clubs outside of school.
- ✓ Assisting in planning our yearly school timetable to ensure we incorporate Active events during the year.
- ✓ Playground leaders
- ✓ Selecting and timetabling lunch time activities

Active School Flag Slogan

This year we had great fun creating an Active Schools Slogan. Our Active Schools Committee decided to organise a competition amongst all pupils to create a slogan. They chose the following slogan as the winner. Well done to Jack and Oran who created this fantastic slogan and who won new soccer balls each.

**Get up off that chair,
Go get some fresh air.
Go and have some fun,
Just go for a little run.
If you want to be cool,
Then be an Active School!**

Mrs Payne sent an email to our Local Sports Partnership and to Jean Brady the Sports Inclusion Development Officer in Edenderry to find out more about sports in Edenderry. Jean sent us lots of information. Next year we hope to participate in their 'Sports Day for all' so that we can make sure that everyone in our school is included in all sports activities.
